Policy

It is the community's policy to ensure safe visitation in congruence with the Resident's Bill of Rights.

Procedure

- 1. The community has an open visitation policy. However, due to normal resident activity patterns, it is strongly recommended that visits be limited to daytime and early evening hours.**
- 2. Visitors will be required to abide by all community policies, including those in place to prevent the spread of infection.**
 - A. The staff of the community will educate visitors on infection prevention methods in place at the time.**
 - B. The Administrator is responsible for ensuring this visitation policy is followed.**
- 3. Additionally, the community reserves the right to limit and/or prohibit the visitation of a person if the community has reason to believe that such action is necessary:**
 - A. to protect the resident's or other residents' rights; or**
 - B. for the refusal to follow the community's infection control policies and/or procedures; or**
 - C. failure to follow house rules or creating a disturbance.**
- 4. The community may lock the exterior entrances during non-business hours. In the event the doors are locked, visitors should ring the doorbell. (Identification may be required).**
